Payroll Global Cash Card Choice

I would like my wages/salary deposited to my Payroll Global Cash Card Account. I understand I can receive all of my pay in full one time without cost each pay period by requesting a cash withdrawal from a bank teller.

I understand there is no fee for Point of Sale (POS) purchases inside our outside the US, Bill Pay and Cardholder notifications by text or email and that I can access my account balance for free at an ATM or online. See back for additional fee information. I authorize BrandSafeway to fund the Pay Card.

The USA Patriot Act is a federal law that requires financial institutions to take certain actions to verify accountholder information for all accounts on file. In order to comply with this requirement, GCC may ask for all or some of the following information: your full name, address, date of birth, Tax Identification Number (SSN or Alien ID) and other information that will allow it to process ID and OFAC Verification, if it does not already have this information on file. Address MUST be a valid, US Postal Service street address – not a P.O. Box – An invalid address may reject the pay card application.

Payroll Authorization

I understand that I will be able to access my paycheck information electronically via secure online access, mobile smart phone, fax and an Interactive Voice Response (IVR) telephone system. I understand if no payroll choice is made, my pay will be delivered through the payroll debit card. If monies to which I am not entitled are deposited to my account, I authorize BrandSafeway and/or any of its subsidiaries to direct the financial institution to debit my account accordingly. This authority will remain in effect until I have filed a new payroll election, or until revoked by me in writing or upon termination of my employment with BrandSafeway.

If I elect the Payroll Card Program, I authorize GCC to deduct any applicable fees (fee schedule follows) from the available balance of my Payroll Card account, per GCC's Cardholder Terms and Conditions.
