Employee's Signature (Form is not valid unless you sign it)		Į.	Date (MM/DD/YYYY)
Form OK-W-4 is completed so you can have as much "take-home pay" as possible without an income tax liability due to the state of Oklahoma when			

Form OK-W-4 is completed so you can have as much "take-home pay" as possible without an income tax liability due to the state of Oklahoma when you file your return. Deductions and exemptions reduce the amount of your taxable income. If your income is less than the total of your personal exemption plus your standard deduction, you should mark "Exempt" on Line 7 above. The following amounts of your annual Oklahoma adjusted gross income will not be taxed by the state of Oklahoma when you file your individual income tax return.

<u>Single</u>

Married Filing Joint

\$1,000 - personal exemption

\$ 2,000 - personal exemption

<u>\$6,350</u> - standard deduction \$7,350 - Total

\$12,700 - standard deduction \$14,700 - Total

+\$1,000 for each dependent

+\$1,000 for each dependent

Items to Remember:

- If your filing status is married filing joint and your spouse works, do not claim an exemption on Form OK-W-4 for your spouse.
- If you and your spouse have dependents, please be sure only one of you
 claim the dependents on your Form OK-W-4. If both spouses claim the
 dependents as an allowance on Form OK-W-4, it may cause you to owe
 additional Oklahoma income tax when you file your return.
- If you have more than one employer, you should claim a smaller number or no allowances on each Form OK-W-4 filed with employers other than your principal employer so the amount withheld will be closer to your amount of total tax.
- If you itemize your deductions, instead of using the standard deduction, the amount not taxed by Oklahoma may be a greater or lesser amount.
- If you are claiming an "Exempt" status due to the Military Spouses Residency Relief Act you must provide Form OW-9-MSE "Annual Withholding Tax Exemption Certification for Military Spouses".
